Be It Enacted by the General Assembly of the State of Iowa:

- 1 Section 1. Section three hundred eighty-nine point
- 2 nineteen (389.19), Code 1946, is hereby amended by striking
- 3 from lines nine (9) and ten (10) thereof the following:
- 4 “one and one-half cents per front foot of any lot” and
- 5 by inserting in lieu thereof the following; “the actual
- 6 cost and expense”.

EXPLANATION OF H. F. 367

Section 389.19, Code 1946, provides for one and one-half cents per front foot of any lot to be assessed as costs for snow removal. The experience of the larger cities in recent years is that the provision in the present law does not cover the cost of snow removal and this bill will provide for the actual cost and expense of such work.
